Key Differentiators: Cutting-Edge Technology, Specialized Talent, and High-Impact Operations

FRONT-OFFICE CORE · OPERATIONAL FLOOR — Live Customer Care

Live Floor Technology and Enterprise Privacy

1 AI Operational Copilot — Live Copilot

While the specialist assists a customer, an AI copilot surfaces relevant knowledge and context-aware responses to resolve inquiries rapidly.

< 2s
ON-SCREEN

2 Automated Notes & Case Ticketing — Auto-Synthesis

Immediately upon call wrap-up, an automated summary and disposition are generated and logged with a tracking ID, capturing requirements and resolutions with zero manual overhead.

FAST WRAP-UP

3 Sensitive Data Masking & Cybersecurity — Total Shield

When a customer shares confidential information, the platform automatically masks and encrypts sensitive fields in real time, preventing exposure across screens, call recordings, and logs.

100%
PROTECTED

- Models validated across enterprise clients with high CSAT

BACK-OFFICE CORE · OPERATIONAL SUPPORT — Governance & Deployment

Talent, Quality Assurance, and Deployment Certainty

4 Specialized Talent Sourcing — Talent Filters

Rigorous vetting evaluates verbal communication, computer navigation, problem solving, and bilingual English fluency before onboarding.

4 Filters
95% RETENTION

5 AI-Powered Quality Assurance — 100% QA Audit

Speech analytics and automated scorecards evaluate customer interactions to identify compliance risks, verify protocol adherence, and coach agents.

Up to 100%
FLEXIBLE SAMPLING

6 Rapid Ramp-Up & Scaling Readiness — Training Facilities

Turnkey physical facilities, high-performance training curriculums, and dynamic scheduling ensure operational readiness from day one.

CONSECUTIVE NATIONAL PODIUM: 2023 · 2024 · 2025 · 2026

Proven Client Success Stories: 4 Consecutive Years Delivering Value and Cost Reductions

MATURITY: 2023 Silver → 2024 Bronze → 2025 Bronze → 2026 Gold ★

OFFICIAL IMT PODIUM

1ST PLACE NATIONWIDE — 2026 · 21ST EDITION

FLIPPING TITLES · ENTERPRISE CLIENT CARVANA (OFFSHORE SERVICES)

★ NATIONAL GOLD

Optimization and Automation in Document Verification

Transformed motor vehicle title validation with automated data extraction tools and focused work intervals, completely removing operational bottlenecks.

COST REDUCTION & PROVEN EFFICIENCY:
Boosted throughput to **30 cases per hour** per specialist and radically reduced operational cost per transaction with near-zero error rates (0.04%).

90s → 40s	0.04%	+72%
TITLE VERIFICATION	ERROR MARGIN	PRODUCTIVE TIME

2ND PLACE NATIONWIDE — 2023 · 18TH EDITION

DISRUPTIVE PROCESSES · ENTERPRISE CLIENT CARVANA (BPO OPERATIONS)

NATIONAL SILVER

Complex Case Management and Legal Compliance Rigor

Resolution and legal validation of multi-state vehicle title disputes with rigorous adherence to statutory regulations, ensuring zero audit discrepancies.

COST REDUCTION & PROVEN EFFICIENCY:
100% elimination of regulatory penalties and thousands of engineering and agent hours saved from rework through real-time quality auditing.

+95%	0%
DATA PRECISION	REGULATORY ERRORS

3RD PLACE NATIONWIDE — 2024 · 19TH EDITION

BACK TO BUSINESS · ENTERPRISE CLIENT VIAPATH (OFFSHORE SERVICES)

NATIONAL BRONZE

Multi-Site Technological Expansion & Continuous Operations

Simultaneous operational deployment across three binational hubs (Mexico City, Ciudad Juárez, and El Paso, TX) with unified telephony and high-volume surge absorption.

COST REDUCTION & PROVEN EFFICIENCY:
Consolidation of centralized technology infrastructure that eliminated redundant software licenses and duplicated server hosting costs.

3 Hubs	24/7
BINATIONAL FOOTPRINT	ACTIVE CONTINUITY

3RD PLACE NATIONWIDE — 2025 · 20TH EDITION

CHANGING THE GLASS · ENTERPRISE CLIENT AUTOGLASSNOW (OFFSHORE SERVICES)

NATIONAL BRONZE

Centralized Scheduling and Elimination of Call Abandonment

End-to-end centralization of quotes and inbound inquiries that freed U.S. auto glass shop technicians to focus on installations, boosting conversions and recapturing lost demand.

COST REDUCTION & PROVEN EFFICIENCY:
Outperformed internal U.S. sales teams by +30.18% and drove call abandonment to historic lows through extended Sunday coverage.

7.9% → 3.4%	+30.2%
CALL ABANDONMENT	SALES VS. U.S. TEAM

Institutional Partner Commitment: The same technology, governance, and operational rigor that drive tangible cost savings and excellence for our enterprise clients back all our client service commitments.
